Dear Frozen Meals Provider/Sponsor:

Please accept our very sincere and heartfelt gratitude for the generous contribution of food for frozen meals you donated in the month of **May 2021**. MACOA's Frozen Meals Program relies on contributions such as yours to help feed Montgomery's homebound seniors as they wait for an opening on one of our Meals on Wheels routes.

As we are thanked many times daily by our clients and their families for the delicious food, I want to pass along this thanks to all of those at **Junior League** who donated their time and talents to prepare the meals. For your records a total of **291 meals** were prepared by your organization this month.

Enclosed is an updated Frozen Meals Procedures.

MACOA would not be able to continue this service to our area's seniors without your support and generosity. We appreciate your partnership, as the need is great. Helping seniors stay in their homes and maintain their independence is possible due to the resources you all help us provide. Our goal is to ensure that "No senior goes hungry". Your continued support through MACOA's Frozen Meals Program will enable us to make this happen.

With warm regards,
