A Letter From the President . . .

Welcome all to the 96th year of The Junior League of Montgomery! June 1st started our new league year with the first new Board of Directors meeting, and I shared the news that all our events are scheduled to be in person at this time. College and Career Night is September 13th, and the first General Membership Meeting is September 7th. I hope you all will be able to attend. Holiday Market is October 6th-9th, Women's Leadership Summit will be in March 2021, and the Rummage Sale in April 2021.

Our Community Placements for this year are going to be fantastic, and membership is enthusiastic about serving. The Grant Workshop for non-profits wanting to apply for the next league year will be held at the league office on June 23rd from 10:00 am to 12:00 pm. This information is posted on our public Facebook page. Please share it so we can reach as many non-profits as possible.

We are in Summer Office hours, which are Tuesday-Thursday 9:00 am to 2:00 pm. Our new office manager, Lora Reynolds Evans, is available during those times.

Thank you all for your perseverance in serving with The Junior League of Montgomery. Last year's President, Allison Prillaman, did an amazing job of keeping the League thriving, along with all the board and members that worked hard to support the league's mission. I am looking forward to serving this league year with all of you. We are going to have a great time while learning a lot about the community we live in and ourselves.

***Better Together,
Marie Wise
2021-2022 President***

Service Dogs of Alabama

The Service Dogs of Alabama (SDA) committee has been hard at work furbishing “PODS” for future recipients of these wonderful pups! The PODS are single room dwellings for the family/individual to stay in during the week of their training and graduation.

We finished this placement off with a BANG - with a 5 dog graduation and stay in the PODS.

We provided welcome baskets to each room, a final clean up before the recipients arrived and helped prep for graduation. Below is a great photo of the graduation ceremony.

2021 Award Recipient: Junior League of Montgomery's Virtual College and Career Fair

The AJLI Award for Innovation

The Junior League of Montgomery's longstanding 35-year-old program - College and Career Fair - took a turn when the COVID-19 pandemic hit, and they had to improvise and reimagine the entire event. Simply not having it was not an option, as it would affect students and families who rely on this community event to explore college and career possibilities, gather scholarship information, and discover financial aid opportunities. And so, the Virtual College and Career Fair was born. Adjusting to a virtual platform, though not ideal, still allowed the Junior League of Montgomery to grow their reach far beyond what they envisioned, as they realized they were able to impact more students and more families.

This is the first time we have won an award from AJLI and something to be celebrated! We were granted \$10,000 for our achievements.
